

Post Wall Lamp

“The Post Wall Lamp came from the idea of exploring the flexibility of the magnetic joint, giving the user the freedom to position and dim the light unit according to individual needs. Designed with a sculptural expression, simple lines and a refined finish, the Post Wall Lamp represents a new perspective through its graphic character and forward-thinking functionality. Arrange the cord in linear or playful formations using its cable drop. Use the Post Wall Lamp on its own or add additional units to the power hub to create elegant ambient or task lighting.”

— Earnest Studio

Designed by	Earnest Studio / 2017
About the designer	Earnest Studio was founded by American-born, Rotterdam-based designer Rachel Griffin. With a background in graphic design, she spent five years producing exhibitions and books before moving to the Netherlands to study at the Design Academy Eindhoven in 2007. She launched her own studio in 2012, with a focus on furniture, lighting and accessories.
Environment	Indoor
Country of Production	China
Preassembled	Yes.
Description	The Post Wall Lamp is an innovative lighting design with an archetypal appearance, graphic character and forward-thinking functionalities. Exploring the utmost flexibility of a magnetic joint, the user can position, dim and turn the lamp according to individual needs. Arrange the cord of the design in linear or playful formations on the wall, using its cable drop. Additional lighting units can be purchased as spare part and plugged into power hub to add to the configuration or any metal surface.
Material	Lighting unit in powder coated magnesium with silicone cord and acrylic opal diffuser. Wall mounting bracket in powder coated steel. Wall cable drops in powder coated steel with magnet and repositionable adhesive tape. Power hub in powder coated plastic with PVC cord.
Cleaning & Care	Clean with soft dry cloth only. Always switch off electricity supply before cleaning.
Cord length	250 cm / 98.4"
Light source included	Yes
Dimmable function	Yes.

Post Wall Lamp

Dimensions

Length:	9,5 cm / 3.7"
Width:	5,4 cm / 2.1"
Diameter:	9,5 cm / 3.7"
Cord Length:	250 cm / 98.4"

Ready-to-ship

Black

Lamp rating

Voltage	100-240V
Frequency	50/60Hz
IP Rating	IP20
Classification	Class II
Socket	Integrated, non-replaceable LEDs Max. 5,5W (One Unit) Max 6,7W (One Unit, incl. Power HUB) Max. 13W (Two Units, incl. Power HUB)

Light source specification

Item	Integrated, non-replaceable LED
Watt	6,7W
Lumen	330 lm
Lumen Maintenance	54.000h
Kelvin	2.700K
CRI	90
Dimmable	Yes
Risk Group	Except
