

Piper series

Designed by 365° North, Denmark

365° North has designed the Piper series, comprising wall lamps, floor lamps, pendants and more. A simple design with clean lines and an industrial look, making Piper a beautiful addition to any space – hanging next to your sofa, on the kitchen wall or as an eye-catching pendant above the dining table. Choose from three finishes to perfectly fit your interior: matt grey, black or antique brass, and create the right ambience by choosing from our selection of Bolia LED lightbulbs in clear, opal or golden glass.

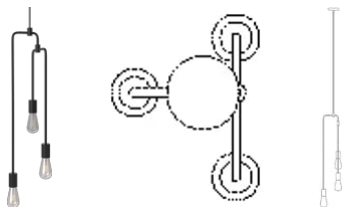

Meet the designer

To me, design has to make sense. Shape, colour and choice of materials have to add up and make sense to each and every single design. Good design is functional, beautiful and easy to understand.
