

Orb series

Designed by 365° North, Denmark

Fabulous design, industrial undertones and masses of elegance. The Orb table lamp gives you all this and much more. The lamp is made of brass and glass, features organic curves and has an outstanding design. The Orb table lamp is a beautiful addition to the table in your office, in your living room corner, or as an extra dash of elegance in your entrance hall.

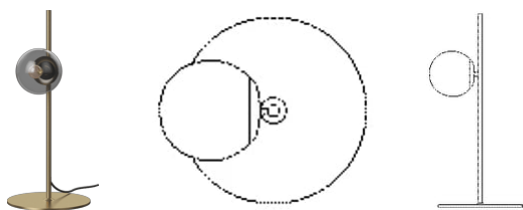

Meet the designer

To me, design has to make sense. Shape, colour and choice of materials have to add up and make sense to each and every single design. Good design is functional, beautiful and easy to understand.
