

Orb series

Designed by 365° North, Denmark

Like beads on a string, the perfectly rounded glass bulbs of the Orb Chandelier Lamp will illuminate any room in the most magical way. The smoked glass bulbs are attached to a brass ring, creating an elegant, luxurious, and liberating expression with an industrial finishing look. Designed by 365° North.

Meet the designer

To me, design has to make sense. Shape, colour and choice of materials have to add up and make sense to each and every single design. Good design is functional, beautiful and easy to understand.
