

Pica series

Designed by Joa Herrenknecht, Germany

Let the magic enter your home. The Pica pendant is designed by Joa Herrenknecht and has a light and elegant expression. Pica surprises with its beautiful combination of luxurious marble and the lightweight glass light source, which results in an expressive and elegant pendant.

Meet the designer

My design studio is based in Berlin, which is from where my quirky mind comes up with new designs. Materials and colours are what makes crazy and happy, that is what inspires me to go forward. I have an easygoing approach to the design process, which to me, shall always be liberal and fun – that is very inspiring in itself.
