Designed by

Kristian Sofus Hansen &
Tommy Hyldahl

HiHat Knobs, Medio - Burned Black

Product Description

The playful Hi-Hat knobs invite you to experience the harmony of sound and design, evoking the essence of a symphony. From the shimmer of a classic cymbal to the bold resonance of swinging brass, each knob captures the spirit of music.

Crafted from durable iron with a deep Burned Black finish - the knobs bring a touch of warmth, sophistication, and modern elegance to any space.

Whether adorning a wall, kitchen, or furniture, these knobs effortlessly blend artistry and function.

Each set of two knobs is thoughtfully designed with two mounting options, allowing them to be easily affixed to a wall or furniture front. These knobs are more than just functional - they are a celebration of craftsmanship and creativity.

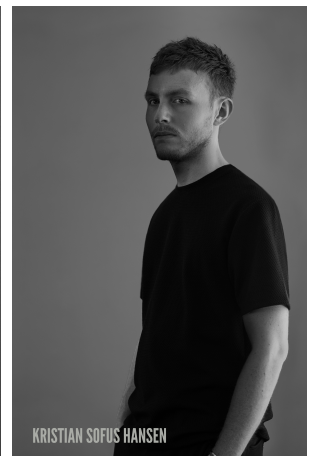

Designer Description

Tommy Hyldahl and Kristian Sofus Hansen intertwine their distinct sensibilities to create designs where storytelling, materiality, and timeless form meet in quiet harmony.

With a background in fashion, Tommy brings an intuitive eye for trends, colors, and textures. His process is one of layering histories, blending details and references from past design periods and reimagining them into something fresh and contemporary. Each collection unfolds as a narrative, evolving from concept to creation, with every element contributing to a greater story.

Kristian, who has lived and studied in Japan, seeks to unite Japanese aesthetics with Danish design, creating a characteristic twist on simplicity itself. His work is defined by the search for subtle, original details that elevate each piece with a unique signature. Drawing inspiration from art and sculpture, his creative process unfolds in new and exciting ways, always striving to craft designs that are both functional and timeless.

Together, they craft design that transcends time, poetic yet practical, expressive yet enduring.

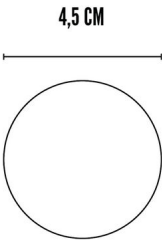

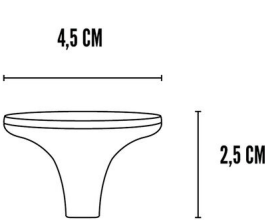

HiHat Knobs, Medio - Burned Black

Family Description Text

The Hi-Hat Knobs strike a playful note, their sculptural forms echoing the curves of musical instruments, from the shimmer of a cymbal to the bell of a swinging brass horn. Like small pieces of rhythm and melody, they bring a sense of movement and joy into everyday spaces.

Each knob is thoughtfully designed for versatility, supplied with two different screws for mounting directly on a wall or seamlessly on kitchen cabinets and furniture fronts. Sold in sets of two, the Hi-Hat Knobs invite you to compose your own arrangement, turning functional details into a harmonious design gesture.

Color Description

Burned Black is a deep, charcoal-black tone enriched with a subtle warm red undercurrent. Its matte powder-coated surface delivers a smooth, consistent appearance, while gentle tonal shifts emerge as light moves across it. Bold yet quietly warm, Burned Black brings depth, richness, and a refined architectural presence to any palette.

Maintenance Guide Description

Hand-brushed plated brass knobs are crafted to balance durability with refined elegance. To maintain their beauty, simply wipe them regularly with a soft, dry microfiber cloth to remove dust and fingerprints. If a deeper clean is required, use a slightly damp, lint-free cloth and dry immediately to prevent water spots. Avoid abrasive pads, harsh chemicals, or metal polishes, as these may damage the plating and alter the subtle hand-brushed texture. With daily use, the knobs may gradually develop a soft patina from natural contact, which is an inherent quality of plated brass and part of its evolving character. By treating them with care and keeping them away from prolonged exposure to moisture or direct sunlight, the knobs will retain their depth, warmth, and timeless appeal for years to come.

Materials Description

Powder coated brass pairs the strength and weight of solid brass with a smooth, durable powder coat finish. The coating is heat-cured to create a consistent, protective surface that resists chipping, scratching, and corrosion. Unlike raw or plated brass, it does not oxidize or develop a patina, maintaining a stable appearance over time. With gentle cleaning and care, powder-coated brass offers long-lasting color, durability, and everyday ease.
