Family Description Text

The Toe Series is more than a collection of lounge furniture. It is an ode to the bold optimism of the 1970s space age, reimagined for contemporary living. Here furniture becomes sculpture and comfort becomes a form of architecture. Thick, fluted upholstery flows across seamless forms like a soft rhythm, shaping generous volumes that feel both expressive and serene.

Defined by rounded geometries and sculptural proportions, the series shares a unified language of tactile softness and effortless comfort. Seats and backrests are shaped from layers of premium foam, creating flowing contours that gently embrace the body while maintaining a strong architectural presence.

Most pieces express the purity of the upholstered form, including the Toe Ottoman, Toe Lounge, Toe Armchair and Toe Flat. The Toe Armrest Chair and Toe Sofa Armrest introduce a contrasting architectural element through solid oak armrests for indoor settings or teak for outdoor environments. Formed from thick planks and shaped like subtle wings, they provide natural support for the hand while also serving as a practical resting surface for everyday essentials.

Together the Toe Series transforms interiors into spaces of imagination where the spirit of futurism meets contemporary craftsmanship. More than seating, it is comfort shaped into sculpture and design distilled into poetry.

Color Description

Taupe is a classic neutral that bridges brown and grey. Earthy and muted, it carries a balance that feels softer than pure grey yet less warm than beige. Depending on the light, taupe can lean warmer with hints of brown or cooler with subtle grey notes. Timeless and versatile, it brings a grounded elegance that adapts effortlessly to both modern and traditional palettes.

Maintenance Guide Description

Bouclé's looped yarns give it its charm but also require mindful care. Vacuum the upholstery regularly with a soft brush attachment to remove dust and prevent dirt from settling between the loops. To protect the fabric, avoid contact with sharp objects or rough clothing that may snag the fibers.

In the event of spills, gently blot with a clean, dry cloth never rub, as this may distort the loops or spread the stain. For light soiling, use a mild upholstery cleaner suitable for synthetic fabrics and always test on a hidden area first. Professional upholstery cleaning is recommended for deeper maintenance.

Keep bouclé furniture away from direct sunlight to prevent fading, and avoid prolonged exposure to moisture. With simple care, bouclé will maintain its softness, texture, and inviting comfort for years to come.
