Sunao Vase, Hexa - Black

Product Description

The Essence of Honest Simplicity. Inspired by the Japanese concept of "sunao," a quiet devotion to honesty and purity, the design embodies a harmony between form and function. Its smooth, generous curves invite light to dance across a hand-glazed matte black surface.

Born of durable fiber concrete, the design can be used both indoors and out, weathering seasons with grace. A gentle drainage hole, paired with a perfectly fitted saucer, nurtures the quiet rhythm of growth honouring both the plant and the space it inhabits.

With its graceful Hexa size, the design is a quiet celebration of nature's gentle rhythms. The delicate 23 cm opening cradles plants and trees with finer, more tender root systems.

For a harmonious and elegant display, combine Sunao plant pots and vases in different sizes across a windowsill, console, or patio. Grouping multiple pieces creates a layered, sculptural effect that enhances the natural beauty of each plant while adding rhythm and balance to your interior or outdoor space.

Thoughtfully designed with a small drainage hole at the base and a matching saucer, ensuring optimal water flow and air circulation for plants

Sunao Vase, Hexa - Black

Family Description Text

In Japanese, Sunao means honesty. It is a word that holds more than truthfulness; it carries the spirit of living with clarity, humility, and respect for the natural world. The Sunao Collection is born from this philosophy, an exploration of how simple forms and honest materials can create vessels that feel both timeless and alive.

The inspiration lies in the dialogue between nature and craft. Each vase and plant pot is shaped to frame what it holds, yet never overshadows it. The smooth surface speaks of calm refinement, like the stillness of a quiet morning, while the Beehive texture, cast from shoreline shellfish, celebrates imperfection, rhythm, and the raw poetry of nature.

Every piece is hand painted, carrying subtle variations that make it one of a kind, echoing the Japanese belief that beauty is found in uniqueness and quiet detail. Just as no leaf, branch, or wave is ever identical, no Sunao vessel is the same.

Whether standing with flowers, branches, or greenery, or existing in sculptural silence, Sunao becomes more than an object. It is a companion to daily life, a reminder of honesty in design and in living, where simplicity allows nature to take centre stage.

Color Description

A deep, pure black absolute in tone and endlessly bold. Its intensity creates powerful contrast while its timeless depth evokes elegance and clarity.

Maintenance Guide Description

Our hand-painted ceramic pieces are crafted as decorative objects, designed to age gracefully when cared for with gentleness.

The outer surface of our pieces is hand-painted and should be treated with the same reverence dust lightly with a soft, dry cloth, allowing the painted character to remain untouched. Water, harsh cleaners, or abrasives should never meet this surface, as they can disturb its delicate finish.

Vases are sealed within and may hold water for fresh flowers. Clean their interiors gently with lukewarm water, then dry carefully, taking care that no moisture touches the painted exterior.

To preserve their vibrancy, keep each piece away from prolonged sunlight and sudden shifts in temperature. With such mindful care, every ceramic piece will hold its artistry, warmth, and timeless presence for years to come.

Materials Description

Ceramic is one of the oldest and most enduring materials, celebrated for its strength, versatility, and timeless beauty. Shaped from natural clay and fired at high temperatures, it achieves a density and durability that make it ideal for both functional and decorative use. Its smooth surface provides the perfect canvas for craftsmanship.

Our ceramic is elevated through hand painting, where layers of pigment are carefully applied by skilled artisans. This process creates subtle variations in tone, texture, and detail, ensuring that no two pieces are ever alike. The result is a material that combines resilience with individuality practical enough for everyday use, yet refined enough to stand as an object of art.

Hand-painted ceramic embodies the harmony of nature, craft, and time: a surface that carries both the permanence of fired clay and the soulful presence of the human hand.
