

COLUMN TABLE

With its geometric and sharp lines, the Column Table is inspired by the classic architectural shapes of columns and pillars, with the attempt to create a simple and flexible side table.

The Column Table is small and can therefore be used in many different interior schemes. The table fits perfect next to a lounge chair or combined with other side tables next to a sofa or lounge area. Due to its minimalistic design the Column Table can also stand alone as a sculpture by itself or be used as a pedestal for exhibiting objects.
