Ball single floor lamp is a stylish and simple floor lamp that can be placed in many different spaces.

The floor lamp is available in a different palette of colours to match both a more downplayed style and a colourful interior decoration. The head of Ball single floor lamp can be directed in whatever way light is needed making the floor lamp functional and usable both next to the bed, in a reading corner or in the living room.

A B O U T T H E D E S I G N E R :

It all started in 1968 when Benny Frandsen began designing lamps in his basement.

That same year, he designed the Ball pendants and magnetic wall lamps, which Frandsen still produce to this day as one of the collection's bestselling series.

Benny Frandsen has won numerous international design awards for his lamp designs over the years and is known for his graphic shapes and inspiring attitude. In 2018, Benny Frandsen celebrated his 50th anniversary.
