## Ball Handle Pendant Ø18

*Designed by Benny FRANDSEN*

The Ball lamp collection is a classic and, in many ways, safe collection that offers a wonderful selection of colours and variants. In this edition of the Ball Pendant, the classic lamp has gotten a twist. There's a handle mounted onto the pendant, which allows the light to be hung straight down or at an angle.

Hang the Ball Pendants with handles with several Ball pendants to create a statement or place as a single pendant in the reading corner, above the coffee table or above the bedside table.
