

Chelsie
Model Chelsie 140

Chelsie is a compact architectural light that defines pathways, characterised by a fluid and minimalist design. Available in two sizes, it functions as a step light in the more compact version and as a floor washer in the Ø140 model, which provides greater visual impact and higher light output.

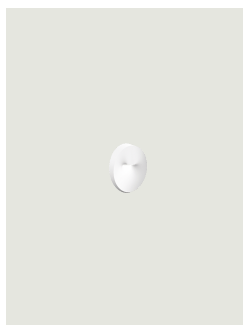

Chelsie 140	Light source	Structure	Code 2700 K	Code 3000 K
	24V LED 2,3 W CRI ? 90 MacAdam < 3-Step	Generazione scheda tecnica	801023222	801023227
