

# HAY COLOUR CRATE

A large stack of colorful plastic crates, arranged in a stepped pattern against a light background. The crates are in various colors: light blue, yellow, white, dark blue, dark green, and dark brown. The stack is composed of many individual crates, creating a textured, geometric wall-like structure. The crates are stacked in a way that shows their interlocking design and the variety of colors available.

## Made from 100% post-consumer plastic

Made from recycled plastic derived from disused washing machines, Colour Crate is strong and built to withstand daily wear and tear. Durable and efficiently designed, it adapts seamlessly to the many phases of life and can be recycled once again when no longer in use or at the end of its long life.

Disused washing machines are derived into granules, which are crushed, cleaned, and sorted through an advanced technological process.

# Versatility & choice

A wide selection of different colours available to choose from.

They can be folded flat for compact storage when not in use.

Available in different shapes – cubes, squares, and rectangles – in varying sizes.

The crates are stackable and can fit inside each other in different size combinations.

The versatile design makes it suitable for using in various areas of the home.

Handy, adaptable storage boxes with perforated design.

Ideal for storage and displaying different-sized items.

Colour Crate lids in metal or plastic can be placed on top of the crates to secure contents.

Optional wheels can be added to make the crates easy to move around.

Flap down one of the Colour Crate sides to make an accessible shelf.

## Living room

Maximise your existing living room storage with HAY Colour Crates, offering a practical solution that's easy on the eye and provide a designated home for stray objects, keeping your space tidy and clutter-free.

## Bedroom

Ideal for keeping things handy and organised in the bedroom, Colour Crates allow visibility of contents while maintaining a neat and tidy space. The crates can also be fitted with wheels and lids, enabling use as bedside cabinets or extra shelving units. A wide colour palette is available to complement the surrounding décor.

# Bathroom

Light, durable, and easy to clean, Colour Crates are ideal for bathroom environments. The wide range of sizes covers all your organisational needs, from the smallest crates for jewellery and cotton buds to larger variants for towels and bulkier items.

## Office & Storage

The perfect partner for office or studio environments, Colour Crate's multifunctional design is ideal for storing stationery, books, cables, or tools, keeping work essentials close at hand – whether organised on shelves or stacked with supplementary lids or wheels.

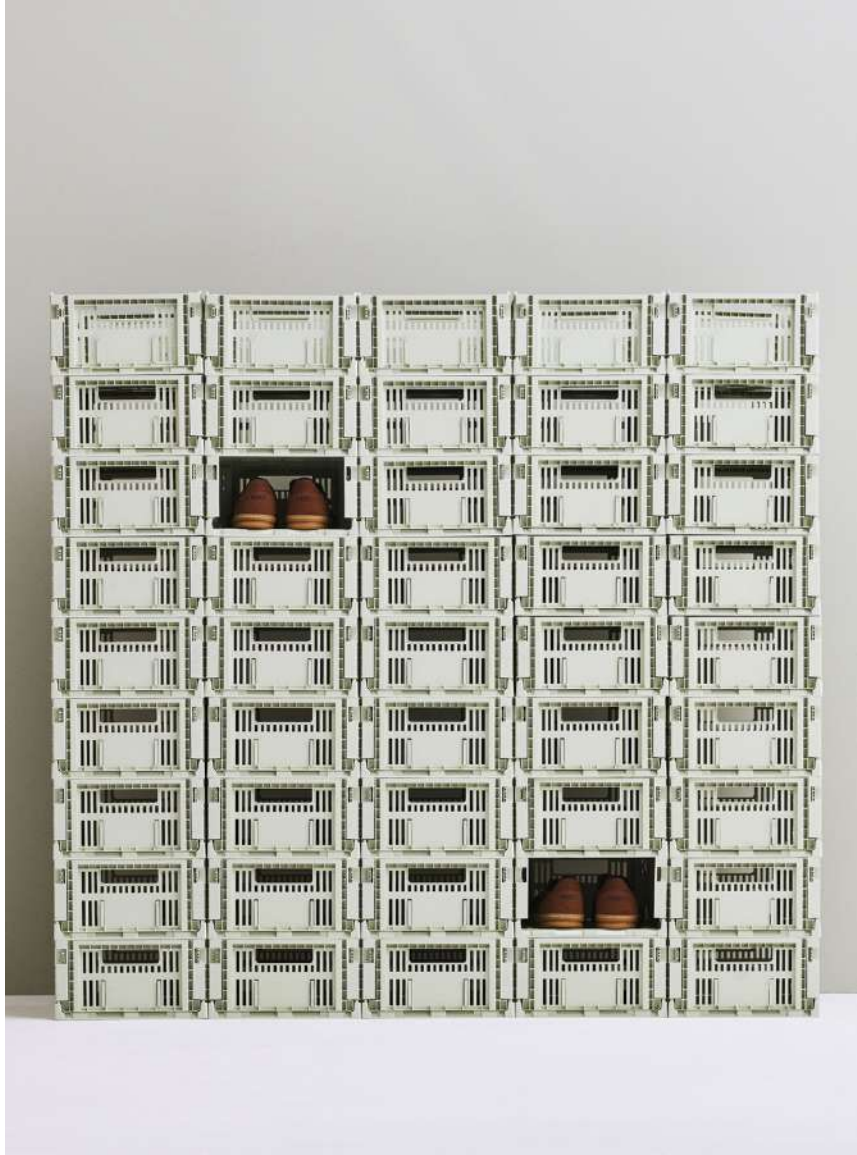

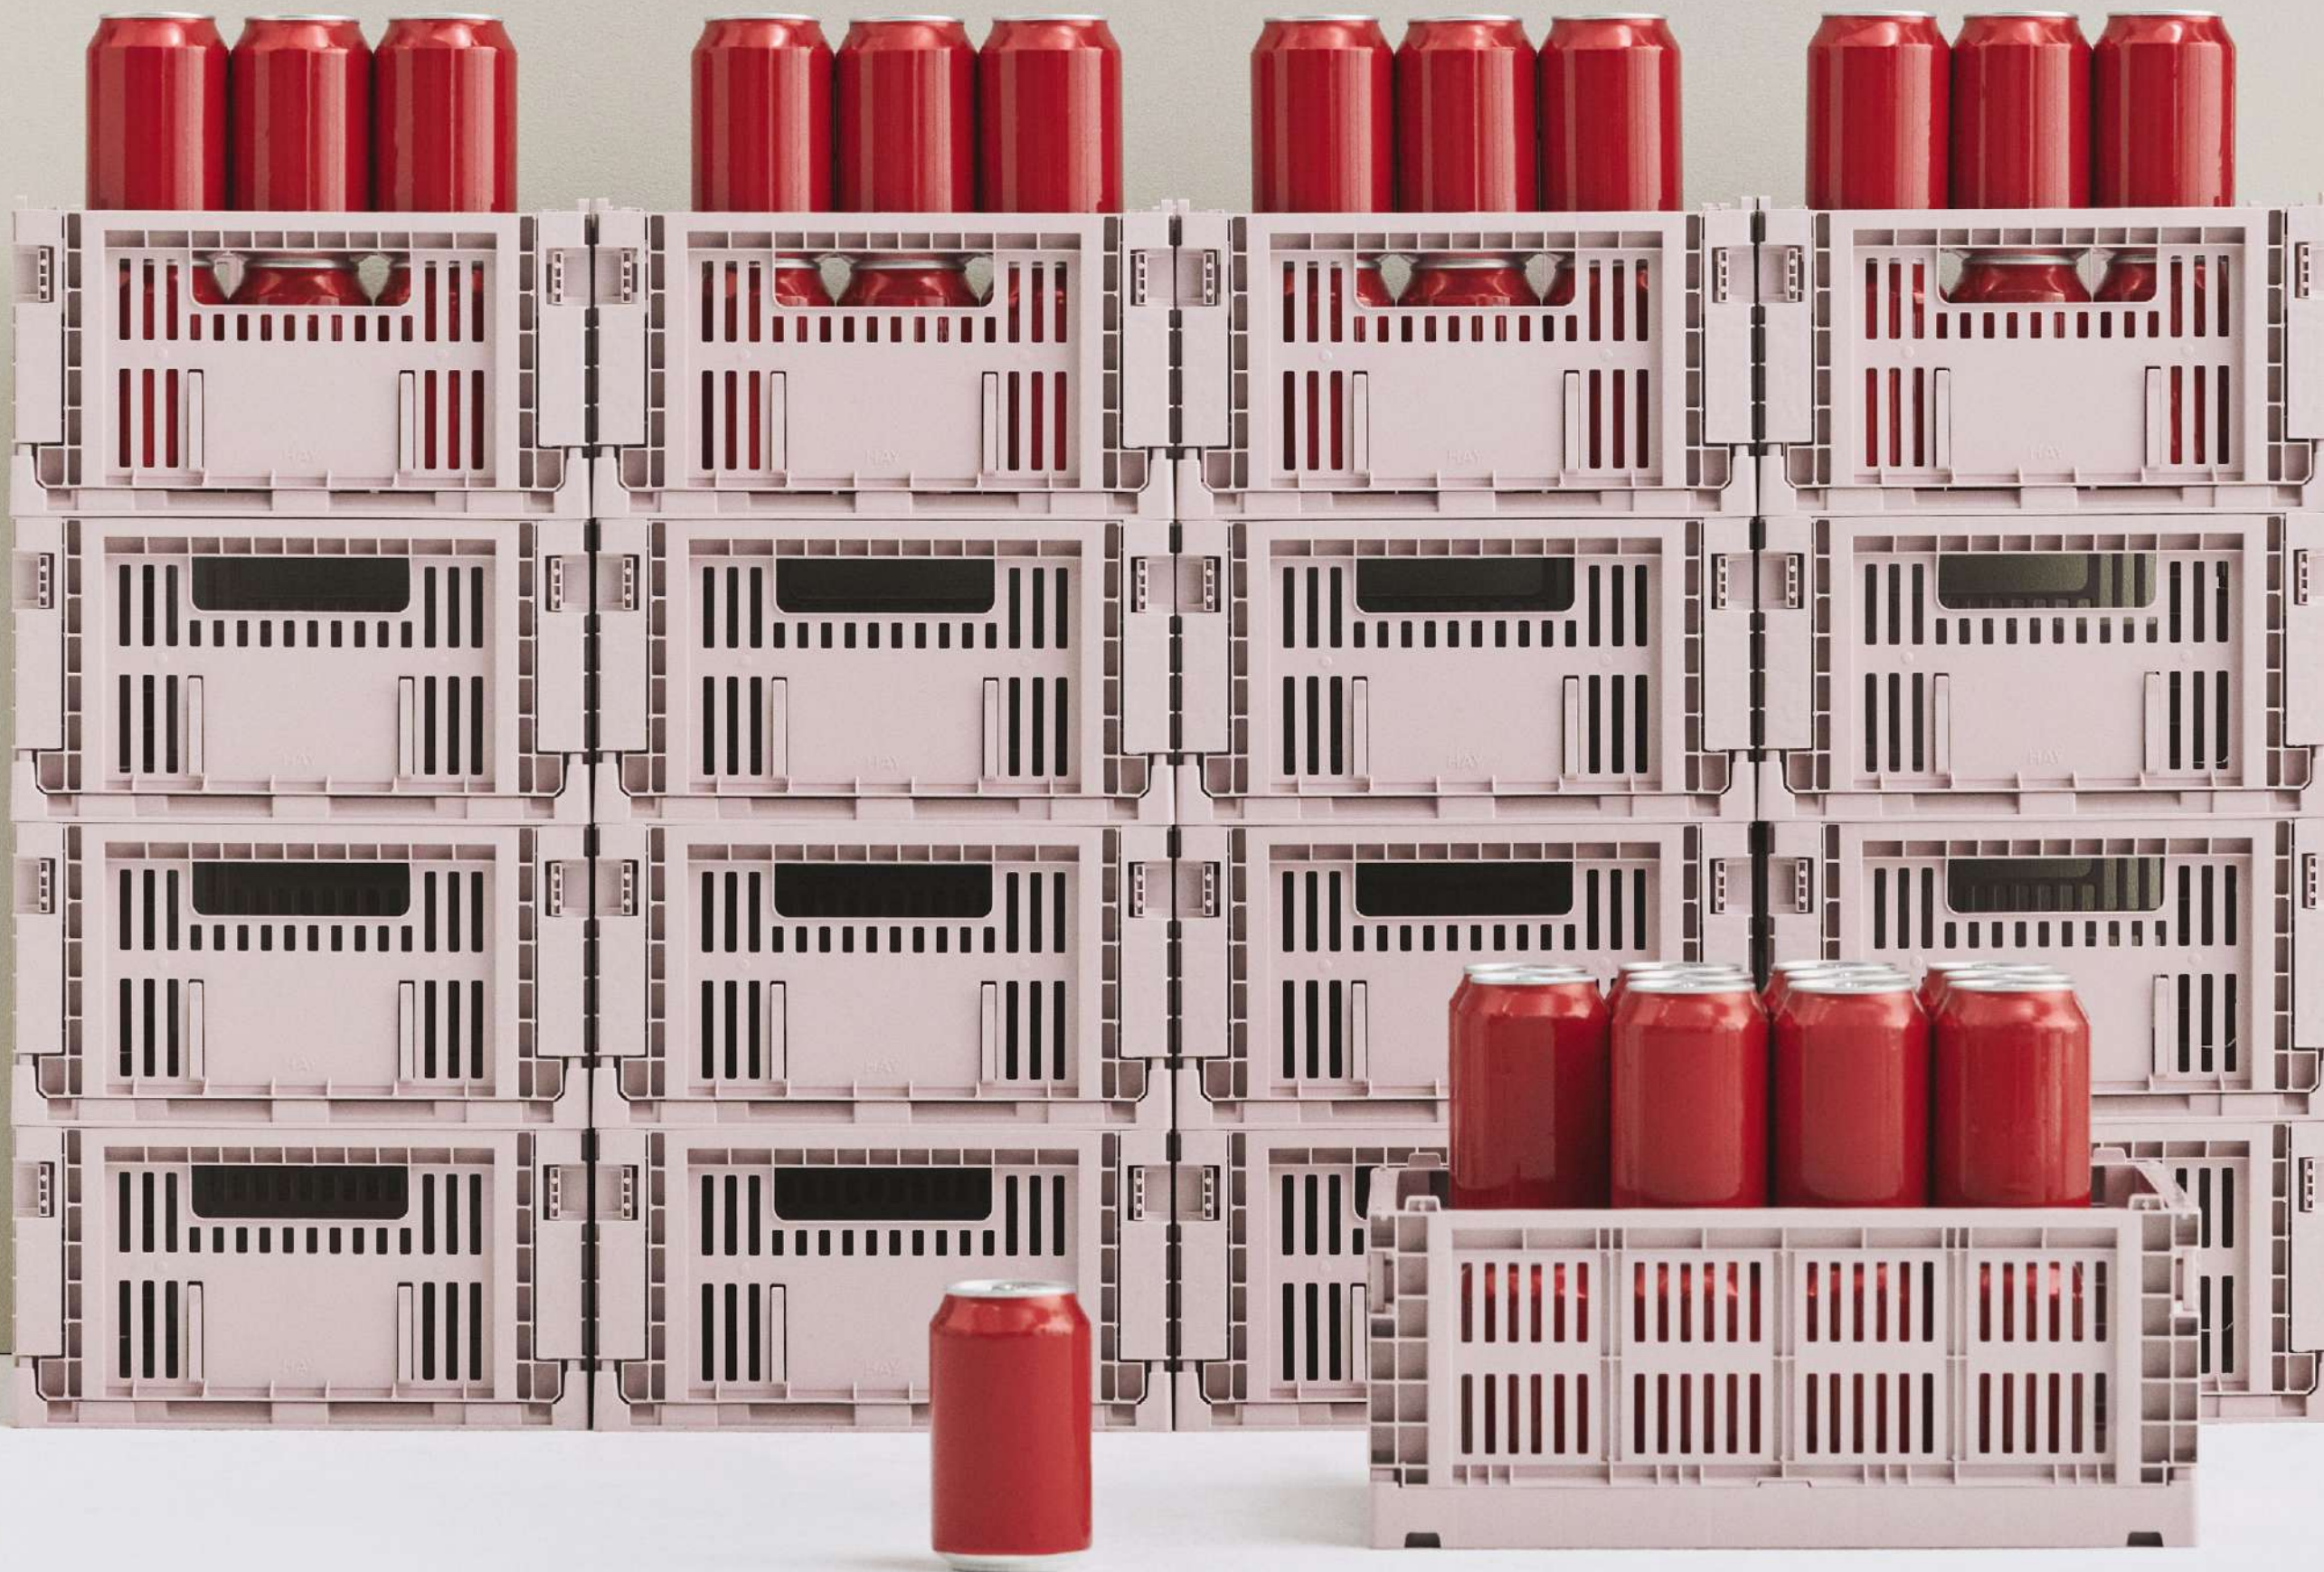

## Kitchen

Functional and decorative, Colour Crates can be arranged on open shelving to create colourful storage displays or placed in kitchen cupboards for practical organisation. Easy to wipe down and fold away when not in use, the crates are ideal for storing a variety of kitchen items, such as cans and bottles, tableware, and cleaning equipment.
