

Tajo series

Designed by Asger Risborg Jakobsen, Denmark

Like the everchanging seasons, the Tajo lamps are always in motion visually. The shades are covered with a soft linen blend while the base of the table lamp is travertine, expressing a wonderful mix of materials. The closed top on the shade reflects the light and softens it. Designed by Asger Risborg Jakobsen.

Meet the designer

The Danish designer and MD, Asger Risborg Jakobsen, is inspired by the simultaneous complexity and simplicity of nature. When he designs, he tries to break his ideas down to their essence; function, beauty, character and craftsmanship. In this search for the essence of objects he seeks to create long-lasting designs that reflect the beauty of the world they are a part of.
