PH 3/2 Dusty Terracotta Table Lamp - 5744173298

The PH 3/2 Dusty Terracotta Table Lamp is based on Poul Henningsen's System PH, with three glass shades providing downward-directed, glare-free illumination while emitting a pleasant glow. The four-layered, mouth-blown, dusty terracotta-coloured glass is glossy on the outside and sandblasted matte opal white on the inner side, providing poetic and warm light.
