RIVET SHELF

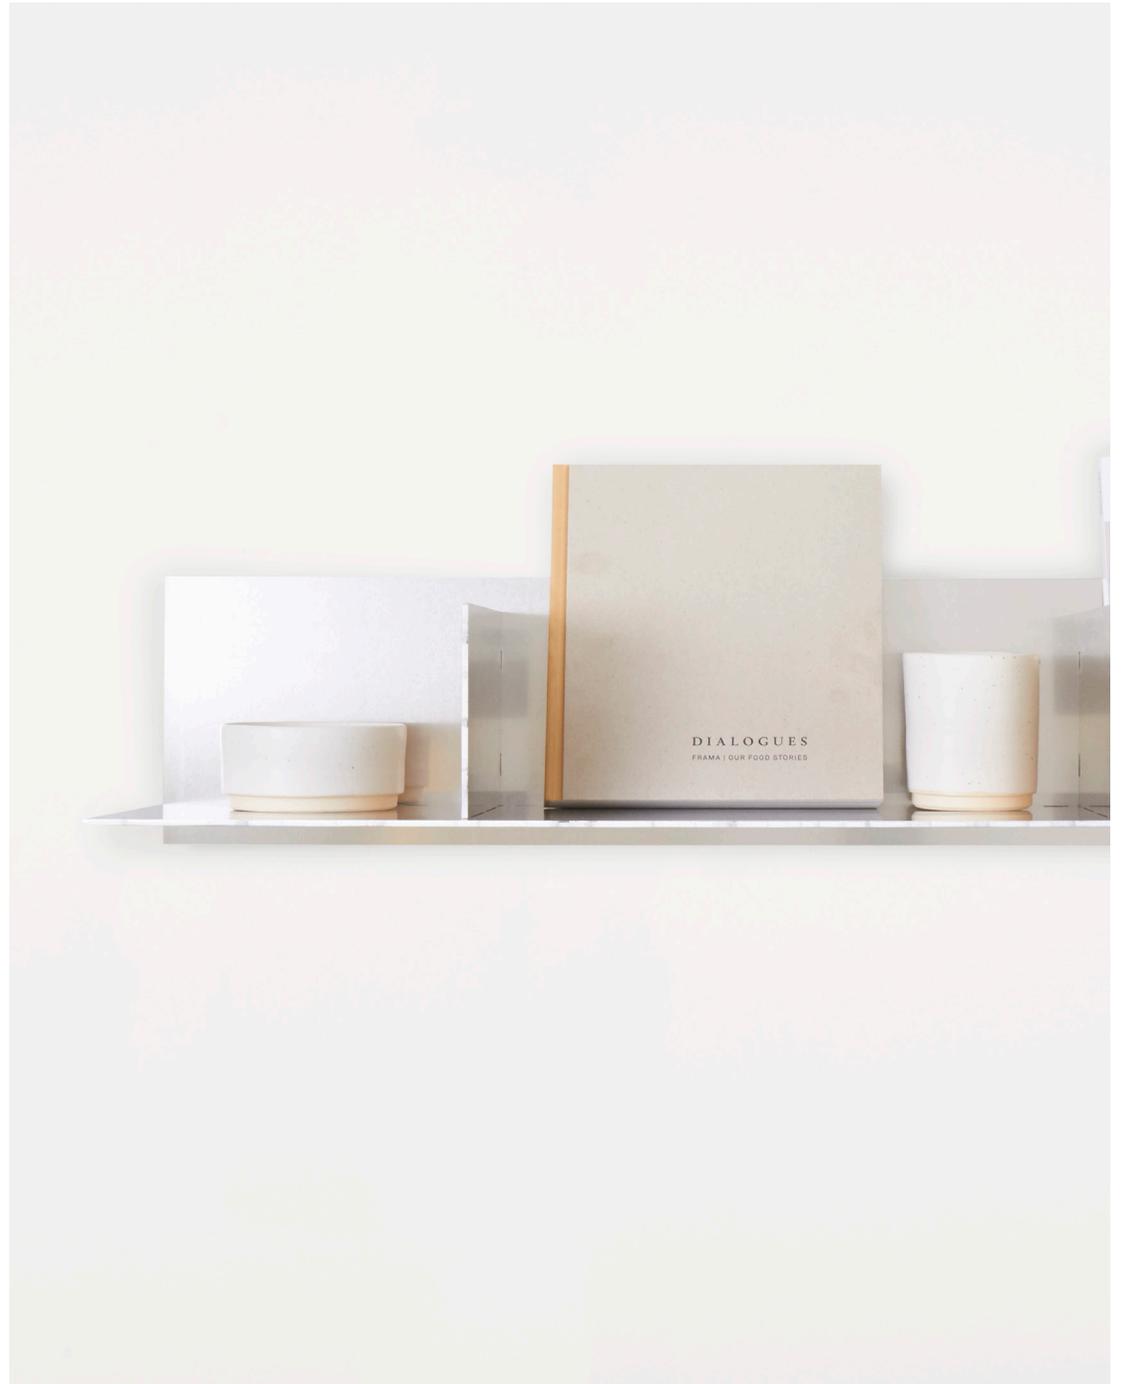

RIVET SHELF

Aluminium can be difficult to weld and screw. With that in mind a riveting/tenon technique was developed for the Rivet project. This was also a way to experiment with different variations of visual assembling. The straightforward design is laser cut and hammered by hand, which puts it in a category between craftsmanship and industrial production. Rivet Shelf is a continuation on the series, suitable for many uses.

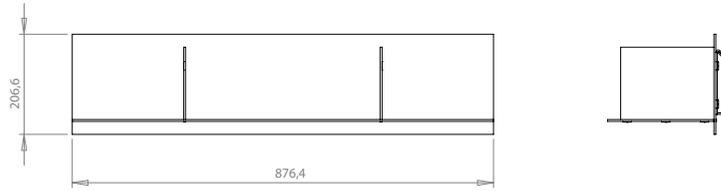

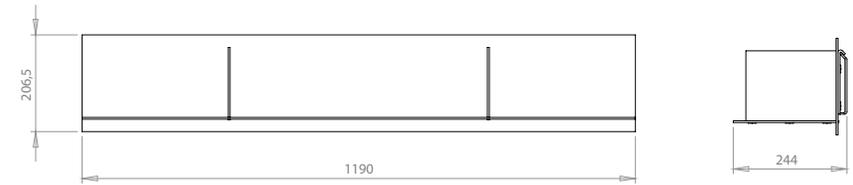

SPECIFICATIONS

Design	Jonas Trampedach
Year	2018
Typology	Shelf
Collection	Signature
Origin	Lithuania
Material	Untreated Aluminium

VARIATIONS

Product	Item No.	Price DKK	Price EUR
Rivet Shelf Small	4110	3650.00	490.00

Product	Item No.	Pricelist DKK	Pricelist EUR
Rivet Shelf Large	4115	3950.00	530.00
