Sergio Herman

SILHOUETTE

CLASSIC, TRADITIONAL & TANGIBLE ELEGANCE

SERGIO HERMAN — The Sergio Herman collections for Serax draw on the diverse local and international influences that have shaped his career as a world-class chef, restaurateur and designer of spaces and objects. Herman is deeply connected to the province of Zeeland, where he began his career at the family-owned restaurant Oud Sluis in Sluis. Under his creative direction, Oud Sluis achieved three Michelin stars and was named one of The World's 50 Best Restaurants for eight years.

Today, Sergio Herman is at the helm of the Sergio Herman Group, one of Europe's most creative restaurant groups. Together with a team of specialists, he has developed several multi-award-winning fine-dining restaurant concepts.

His collections are beautiful and practical, informed by hands-on experience in his kitchens and the aesthetics and culinary experiences he has encountered over his thirty-year career.

SILHOUETTE — After two successful tableware collections, Sergio Herman and Serax felt they needed to heed the wind of change. The result of their endeavours is the new Silhouette collection.

The name emphasises the refined and bold contours of this Serax collection. The French word also has an elegant, almost poetic ring to it, evoking the lively, traditional brasseries from which Sergio drew inspiration. It is in this vibrant, laid-back ambience that food comes to life, and people are able to connect. Silhouette is inspired by the timeless beauty of nature. Clouds, flower petals and waves have been translated into flatware, cutlery and glassware with a contemporary look and feel. Silhouette reflects the cultural shift we have all felt for some time now: a move toward simplicity, authenticity and connection.
