

KUMO CHANDELIER BIG

Kumo, meaning clouds in Japanese, is all about organic shapes unfolding above you. Created from brass plated metal pipes with fitted acrylic tubes, the light diffuses a warm ambience through the space. Bended in various sharp angles, Kumo pushes the boundaries of lighting design with its bold organic shape, becoming the lamps signature. Carried in a brass circle like a piece of jewellery, the lamp emphasises a certain lightness and ease. Available in two sizes, the Kumo Chandelier incorporates an inbuilt LED light. This series highlights the luminous white acrylic tube that encases a durable LED light source, boasting an impressive 25,000 hours of illumination at a warm Kelvin 2400. Shifting away from the starkness typically associated with neon, these innovative lamps exude a warmer, more inviting glow, setting the ambience for a cozy and comforting atmosphere. The handcrafted design of the Kumo Chandelier ensures that light distribution uniquely cascades along its curvaceous tubes, resulting in it to shine brighter in some part of its curved tube. Suspended by one fabric cable, the chandelier can be set to the perfect height for any room.

Designed by Kristian Sofus Hansen & Tommy Hyldahl.

Product no: 243005

Type: Chandelier

Designer / Year of design:
Kristian Sofus Hansen & Tommy Hyldahl, 2024

Colour / Material:

Brass / White acrylic tubes

Cable: Fabric covered cable / Black

Dimensions:

L100 / W80 / H88 CM

Ceiling cup: W20 / H4,6 CM

Cable 1: 15 - 85 CM / Cable 2: 200 CM

Country of origin: CN

Product weight: 2,5 Kgs

Packaging:

Dimensions: L78 / W62 / H30 CM

Total weight incl. product: 3,4 Kgs

Number of parcels: 1

Material: Brown cardboard

Light source:

Inbuilt LED light

LED bulbs cannot be changed or replaced

Burning hours: 25,000 hours

IP rating: 20 Max Watt: 25

Kelvin: 2400 Lumen: 2059

Please note that the lamp has an inbuilt dimmable driver. For the dimmer to function correctly a dimmable system or switch is required. Without a dimmable system, the lamp turns on and off. The handcrafted design of the Kumo Chandelier ensures that light distribution cascades uniquely along its curvaceous tubes, resulting in brighter illumination in some parts of its curved structure.

Care instructions:

Use a soft dry cloth to clean the product.

Do not use household cleaners.

Suitable for rooms with a height of 230-320 CM.

Certificates: CE, UKCA, LVD, EMC

Does not comply with US Standards.
