MEDITERRANEA

NOÉ DUCHAUFOUR - LAWRRANCE

Inspired by the weightlessness of «laundry billowing on Mediterranean balconies», Noé Duchaufour-Lawrance designs MÉDITERRANÉA, a series of lights in brushed brass and LED. Resting on a light structure, the cloth of metal sculpts and diffuses the light through the lively and geometric pattern. This symbolism is also applied to suspension, wall, reading and standard lamps.

TECHNICAL SPECIFICATION

- Environnement : Dry location
- Made in France
- 110V - 120V - 60Hz
- LED 24V - 5W - 486 lumens
- Warm white 2700°K
