## INTRODUCING NEW COLORS TO THE PORTABLE PORTA TABLE LAMP

Normann Copenhagen updates its Porta Table Lamp collection with the addition of three new color variants – a bold Bright Red, a sophisticated Dark Green and an earthy Brown. Chosen as a reflection of the Normann Copenhagen’s signature color palette, these fresh colors infuse the stringent design with a characterful and playful feel. As implied by its name, the portable lamp is distinguished by its cordless, lightweight design that allows it to effortlessly move around the home, offering a cozy glow wherever needed.

Designed by Danish designer Simon Legald and originally launched in 2021 in three timeless colors of Black, Grey and White, Porta Table Lamp now offers a total of six color options for increased opportunities for monochrome and colorful interiors alike.
