A versatile lamp collection in an unconventional, charismatic design

Bubba is a collection of characterful lighting inspired by the multifaceted clusters formed by floating soap bubbles. The unusual shape elevates standard glass lampshades into a fascinatingly intricate and eye-catching design. Designed for numerous uses and settings, Bubba boasts an aesthetic that adapts to any room.

Bubba Lamp Ceiling/Wall Ø25
H: 28 x Ø25 cm

Bubba Lamp Ceiling Ø45z
H: 45 x Ø42 cm

Bubba Lamp Ø25
H: 25 x Ø25 cm

Bubba Lamp Ø42
H: 41 x Ø42 cm

Product Facts EU

Description

Bubba Lamp is an elegant and characterful lighting collection inspired by soap bubbles and the way they float into each other, forming intricate bubble clusters. Bubba is crafted from etched opal glass and comes as a pendant lamp in two different sizes, a large ceiling lamp and a smaller lamp ideal for both wall and ceiling surfaces.

Designer / Year Of Design

Yuchen Wu / 2023

Material

Glass, Aluminum, Steel

Construction

The Bubba series includes a pendant lamp and a ceiling/wall lamp in two different sizes each. The lamp shade is made of matte etched opal glass. The ceiling/wall version comes with a mounting ring in aluminum and a ceiling canopy in white painted steel. It can be installed directly to the power outlet (hardwired) or by using a power cord via the outlet hole on the canopy. Please note that the large ceiling/wall lamp is only recommended to be used in the ceiling, as it too heavy for the wall canopy and mounting bracket. If it is hardwired the hole is sealed with a silicone plug. The pendant version comes with a 4 m textile cord and a white canopy in plastic. External power cord and light source not included.

Maintenance

Clean with a damp cloth. Avoid the use of all-purpose cleaners and other degreasing detergents. Make sure to turn off the power, while cleaning. ►►
