

Anoli 6

The cluster pendants consist of multiple pendants arranged in sculptural compositions, each featuring a slender body in powder coated with a hand-blown glass diffuser in opal white or transparent gold. The opal diffuser provides a soft, all-round illumination, while the transparent gold glass creates a more decorative, reflective light. Each diffuser uses a centrally positioned E14 light source within the glass.

Designed by **Sofie Refer**

Product no.	2011003 - nordic gold / gold black textile cord 2011004 - nordic gold / opal white textile cord
Materials	Metal / Glass / Fabric
Ceiling plate	Included, colour matches the pendant finish. Ceiling plate colour variations are available as substitute.
