PANTHELLA 250 TABLE LAMP

Panthella 250 Table Lamp - 5744162474

The fixture emits a glare-free, soft and comfortable illumination. The metal shade versions direct the light directly downwards and create a pleasant illumination due to the inner white painted shade and the reflection from the trumpet-shaped stem. The opal acrylic produces a diffused comfortable light due to the translucent shade, the downward reflection from the inner shade and the reflection from the trumpet-shaped stem.
