General Instructions
PLEASE READ BEFORE INSTALLATION

WARNING:
The safety of this fitting can only be guaranteed if the following instructions are observed during both installation and use. Please retain these instructions safely after installation.

PLEASE OBSERVE THE FOLLOWING GUIDELINES:
– Ensure that all screws are firmly tightened before using the table.
– This table is made from powder coated galvanized structural steel to give an anti-rust surface.
– If the anti-rust surface is damaged, the table will start to rust.
– Be aware, prolonged outdoor use and exposure to the elements will cause rusting over time. We therefore advise that you bring your table inside during cold weather – particularly if the temperature drops below freezing.
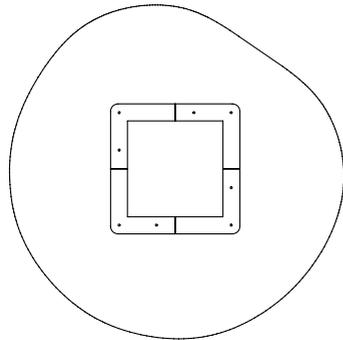

CLEANING INSTRUCTIONS:
– Gently wipe with soft damp cloth with water and mild soap if needed.
