Pond Dining Table

Bring an element of calm to your indoor or outdoor space with the Pond Dining Table. Featuring an organically-shaped tabletop that forms an irregular, imperfect circle, the table is completed by a single, discreet column at the base. Made entirely from durable, powder-coated galvanized steel and with adjustable feet that allow you to align the base plate on uneven surfaces, the Pond Dining Table is ideal for use on a balcony, terrace or in the kitchen. The table arrives flat-packed.
