

RADENT

PENDANT LAMP 700 AND 1350 MM

ENJOY YOUR NEW LAMP

RADENT Pendants is crafted with our friends in China. The lamp is made by hands, so there may occur different expressions in the material and surfaces, with smaller marks and minor deviations.

TECHNICAL DATA

This product is fitted with a LED tube fitting. We recommend the following bulb specifications for your RADENT pendant lamp:

Small: 600 mm warm white LED Tube, 3000 Kelvin. Average lifespan 35.000 Hours.

Large: 1200 mm warm white LED Tube, 3000 Kelvin. Average lifespan 35.000 Hours.

The lamps are only fitted with LED tubes with electronic ballast inside the tube. Direct Driver which only provides electricity in one end.

Please remember to place the electrical end towards the cable.

NUAD will not accept any responsibility for any accidents or injuries that occur due to the use of incorrect bulbs.

ATTENTION

In some countries, electrical installation must be carried out by authorised electricians/contractors; please check with your local authority for guidance. The product must not be modified in any way. NUAD accepts no responsibility for any products that have been modified or tampered with. This lamp is designed for indoor use only.

PARTS
