

M64

Miguel Milá. 1964
Pendant lamps

Painted aluminum exterior: glossy / interior: matte white

Awarded with the Gold Delta in 1964, this lamp designed by Miguel Milá signaled the start of the recognition of Spanish design as a professional discipline. On the occasion of the fiftieth anniversary of this milestone, Santa & Cole reintroduced it into its catalogue and adapted it for the HeadLED System (Delta de Oro, 2013), providing it with the best light efficiency and quality.

In 2023, Santa & Cole commissioned Barcelona-based colourist and artist Claudia Valsells for a chromatic study of this lamp. The collaboration concludes in a combination of eight colors: English green, reddish orange, ultramarine blue, cream yellow and stone gray, along with Miguel Milá's classics, pure red, off-white and deep black. This palette reveals a new visual and emotional perception of the M64 and scheme keeps demonstrating the timelessness of Miguel Milá's designs.

General description:

Capsule with LED module, translucent diffuser and heat sink with black matte finish.

10 lampshade options: polished brass, polished aluminium, and 8 painted aluminum finishes (glossy exterior and matte white interior): off white, deep black, pure red, english green, reddish orange, ultramarine blue, cream yellow and stone gray.

Suitable for dimming 1-10V / DALI. (Not included external dimmer switch 1-10V / DALI): white or black surface-mounted canopy with matte finish and power supply incorporated.

S&C LED capsule suitable with HeadLed System lampshades.

Electric cable length: 3 m / 118.1 - 8 m / 315"

Suitable for Junction Box (UL market).

Light source:

Light source included

Module of 4 LEDs

Not adjustable (CE Market):

Power: 3,7 W

Operating current: 350 mA

T^a Color: 2.700 K

CRI: 90

Lifetime: 40.000 h

Luminous flux: 416 lm

Adjustable:

Power: 7,7 W

Operating current: 700 mA

T^a Colour : 2.700 K

CRI: 90

Lifetime: 40.000 h

Luminous flux: 752 lm

Built-in LED.

Suitable for dimming 1-10V / DALI (UL 1-10V).

Not included external dimmer switch.

Suitable only for indoor use.

Always use this light source.

Input voltaje : 90 ~ 305 Vac.

(50 Hz / 60 Hz). According to destination.

LOR with lampshade:

- Polished brass: 68%

- Polished aluminium: 63%

- Painted aluminum: 69%
