Wall Lamps

Miguel Milá is one of the most renowned Spanish industrial designers. He began his career in the fifties, and is one of the country's pioneers of the discipline. To the present day, his designs have remained true contemporary classics. Rigorous, curious, and observant; a master expert of the simple, the useful, and the everyday.

The Singular wall lamp is a lightweight white linen shade, with no visible structure, that is affixed to the wall to prevent the light source from being directly in view from the side. An unobtrusive object with clean lines that diffuses a warm, comforting light.
