

SMILEY® DAISY

RECHARGEABLE WALL LIGHT

18 cm

A modern shape made of smooth soft silicone.

Wireless. Light up those spaces without plugs.

Low energy LED lamp, gentle mood lighting.

3 step touch dimming (lightly tap the yellow core).

Self-adhesive plate (included) works on smooth surfaces such as wood, tile or metal. Alternative: use two screws.

Meet Smiley® Daisy - the one that's got it all. This happy flower is not only filling your house with bright and light, she is also decorating your wall as a groovy piece of art. Power to our flower!

Smiley® Daisy - €39,00 (MSRP)
