Poem Lamps

Drawing inspiration from the opulent details found in Baroque art and architecture, the Poem Lamps have a romantic and elegant expression. Made through an intricate process where liquid tissue is sprayed over the lamps' casted aluminium base, the result is a translucent shade that artfully stretches over intricate steel arches, ensuring that the lamps emit a soft, diffused light while resembling a delicate flower. The non-woven polymer shade will beautifully patinate over time, giving it a unique appearance. Hang the Poem Wall/Ceiling Lamp on a wall or use it as a plafond-style ceiling lamp that will elevate and illuminate any space, or place the Poem Table Lamp on your bedside table or let it elegantly illuminate your desk.
