

Settle Cushion

"We designed the Settle Series to be light in weight, material, and appearance. Inspired by Scandinavian masters of the 50s and 60s, we played with intersecting metal tubes to form the base, creating a visual path for the eye, illustrating how the metal frame supports the inner upholstery"

— Anderssen & Voll

Designed by	Anderssen & Voll
About the Designer	Anderssen & Voll are two-thirds of the former Norway Says and among the most prominent and successful Norwegian designers. They have formerly been named both Norwegian and Scandinavian Designers of the Year in Norway and have received international awards and recognition for their work with furniture, lighting, and home accessories.
Environment	Outdoor
Country of Production	Poland
Description	This smaller cushion complements the Settle Outdoor Series with added comfort, support and a defined, tailored presence. Use it to shape a more personal seating expression—whether updating your setup or introducing an extra touch of comfort.
Material	A single outdoor-suited foam core wrapped in wadding, enclosed in an inner lining, and finished with outdoor-suited upholstery.
Cleaning & Care	<p>In case of stains, we generally recommend removing non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean warm water. If necessary, clean by dabbing with soapy water made with a little dish soap. Finally, dab the surface with clean water.</p> <p>General maintenance Treat stains promptly. The longer a stain remains on the textile, the more difficult it will be to remove. A professional furniture cleaning service is recommended. Always pre-test any cleaning method in a hidden area. Several light applications of a cleaning agent are less harmful than a single concentrated application. Repeat stain treatment several times if necessary. Never use heat to clean textiles. Heat can set stains. Do not use agents containing bleach. These agents may cause discoloration over time. Do not over-saturate the textile or let water pool in seams.</p> <p>Stain treatment Soak up any excess moisture immediately. Use a clean, soft, white cloth, a natural sponge, or a nylon, soft-bristle brush with a water-free, dry-cleaning solvent for oil and water-based stains. Brush the stain with light, quick strokes. Avoid a scrubbing motion and work from the edge of the stain toward the center. For insoluble stains (e.g. chewing gum, candle wax, etc.), use a plastic bag filled with ice to rub the stain until the substance becomes brittle. Use a clean, dull, flat knife to remove the substance gently. Extra care should be taken when cleaning dark colors to avoid creating light marks that can be caused by color transfer. Avoid excess rubbing to prevent discoloration and damage to the face of the material. Do not saturate the surface. Allow the textile to dry thoroughly and vacuum before using.</p> <p>For extended periods of storage, cushions should be stored indoors in a dry, well-ventilated area. Proper ventilation is essential to prevent moisture build-up and the formation of mould.</p>
Webbing	Taupe with Dark Brown webbing. Dark Green or Grey with Grey/White webbing.

Settle Cushion

Dimensions

Settle Cushion

Height: 35 cm / 13.8"
Width: 60 cm / 23.6"
Depth: 16 cm / 6.3"
