CARE GUIDE — METALS

HOW TO CLEAN / POLISH

BRASS / STAINLESS STEEL

Make sure the metal is clean for dust and dirt on all surfaces before you begin polishing. Then apply an adequate amount of metal polish for brass / stainless steel with a soft and dry cotton cloth to the item. Use a soft & dry cloth to polish the surface before the polish has dried.

(Make sure to read the instructions on the metal polish for specific guidance)

PLATED IRON / STEEL / ALUMINIUM

To get rid of dirt and dust, mix a mild detergent with warm water. Dip a soft cloth into the water & wipe the item down with the cloth. If necessary, wipe the item dry with a soft dry cloth.

(Avoid scraping with an abrasive cloth, that could damage the surface)

POWDER COATED IRON / STEEL / ALUMINIUM

To get rid of dirt and dust, mix a mild detergent with warm water. Dip a lint free cloth into the water & wipe the item down with the cloth. If necessary, wipe the item dry with a soft dry cloth.

(Avoid scraping or rubbing the powder coating with an abrasive cloth that could damage or remove the coating from the surface)

STORYTELLING

CURVA TABLE / BY AYTM DESIGN TEAM

As with any CURVA item, the CURVA table is a pure statement on its own but also concludes the perfect trio when combined with the new SESSIO collection. Use it as a bedside table or by the couch in a living space. The elegance of the design makes the opportunities countless. Only your creativity sets the limits.

THE CURVA FAMILY

Inspired by the waves of the ocean, the CURVA family refers to a mild summer day where a warm breeze and blue skies dominates the atmosphere. With the simple curves and contours, CURVA casts beautiful shadows and reflections that adds dimension and dynamic to any space. The overall appearance of CURVA takes on a light touch and blends perfectly into any setting. The simple wires creates a sleek, yet sculptural, expression that combines practicality with aesthetic with a functionality that is determined solely by your imagination.
