CARE GUIDE — METALS

HOW TO CLEAN / POLISH

PLATED IRON / STEEL / ALUMINIUM

To get rid of dirt and dust, mix a mild detergent with warm water.
Dip a soft cloth into the water & wipe the item down with the cloth.
If necessary, wipe the item dry with a soft dry cloth.

(Avoid scraping with an abrasive cloth, that could damage the surface)

POWDER COATED IRON / STEEL / ALUMINIUM

To get rid of dirt and dust, mix a mild detergent with warm water.
Dip a lint free cloth into the water & wipe the item down with the cloth.
If necessary, wipe the item dry with a soft dry cloth.

(Avoid scraping or rubbing the powder coating with an abrasive cloth that could damage or remove the coating from the surface)

STORYTELLING

MOVEO COAT RACK / BY AYTM DESIGN TEAM

MOVEO means movement, which is truly what this item is – an addition of movement to otherwise still spaces. The expression of MOVEO is all about dynamic and motion, giving the item much more purpose than its practical use as a coat rack. Appearing as small waves rolling and moving along the wall, the MOVEO coat rack adds a cheerful yet sophisticated personality to the room.
