Space Table Lamp

WARD WIJNANT

The Space Table Lamp, designed by Ward Wijnant, is as much a mirror as it is a table lamp. Untouched the lamp reflects its surroundings, but the mirror will become translucent when the lamp is turned on. The lamp has four different light settings and features an innovative Dim-To-Disco option that will make the bulbs change from warm light into soft pastel, to eventually start a colorful disco.

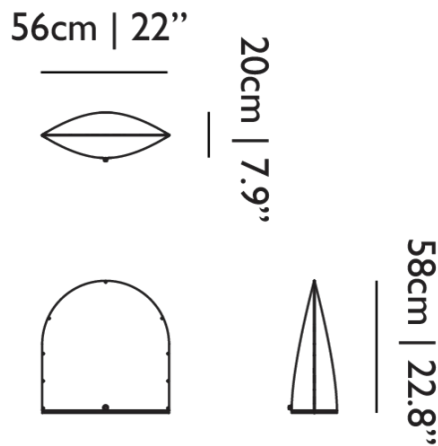

Detailing

Space Table Lamp features a dimmer with an innovative feature: Dim-To-Disco. Get ready for some moving and grooving into another dimension.
