

Tenon Lounge Chair

Despite its small dimensions, the Tenon Lounge Chair boasts an expressive character - hard and soft, strong, and graceful - as it cultivates contrasts between hard wood and upholstered surfaces. A clean construction in solid oak, assembled in a so-called 'mortise and tenon joint,' creates a sculptural frame for the seat. The straight lines and robustness of the frame embrace a softer counterplay of bouncy curves, like a shield protecting a soft core.

Material The Tenon Lounge Chair is made from solid oak, featuring a wood veneer back and seat. Both the seat and back are upholstered with high-quality foam.

Cleaning & Care Use a soft, dry cloth to remove the dust from the chair. For deeper cleaning, dampen a cloth gently wipe the surface. If needed, use a mild detergent. Always test a small area first to ensure it does not damage the finish. After cleaning, use a dry cloth to wipe away moisture, since moisture can damage the material. For further cleaning and maintenance instructions of the upholstery, please adhere to the textile manufacturer's guidelines for your chosen fabric.
