

# TOMOSHI PORTABLE LAMP

Tomoshi Portable Lamp - 5744171290

This portable table lamp emits a soft, glare-free light, that illuminates the surface below and provides some ambient light. The replaceable LED light source is contained towards the base of the design. With a minimalistic expression and quality materials, it is designed with longevity and usability in mind.

## nendo

In 2002 Oki Sato founded nendo design studio. nendo means 'clay' in Japanese – or more specifically, modelling clay such as plasticine. A unique material that makes it easy to do creative modelling.

## Product info
