The Reader ottoman, oak, teddy brown

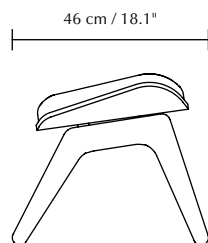

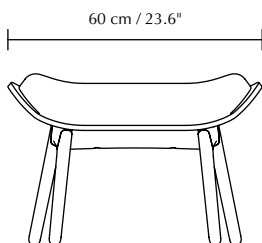

INCREASE THE RELAXATION WITH THE OTTOMAN

The solid oak legs on the ottoman are visually lifted from the base adding a light character to the design.

The shape of the cushions have been designed to slightly expose the Ottoman's shell, giving extra focus on the wooden details.

A palette of Scandinavian colours for the upholstery are carefully selected to endorse the natural wood of the oak. Other fabrics and leathers from Kvadrat and Sørensen Leather are available on request.
