

KGT Wall Units by Studio CP—RV

KGT WALL UNIT is a cabinet with drawers. There are 4 options for you to use and combine: the smallest contains only 1 drawer and the largest 6 vertical drawers.

The gap between each drawer offers visual lightness and highlights each unit individually. This is a reminder that each drawer can be removed and used on its own, switching from drawer to its original purpose – a storage box.

Dimensions

Materials

- Powdercoated and hand brushed aluminium.

Colors and Finishes

The KGT Wall Units available in a powder-coated finish and brushed aluminium.

- Light Grey RAL 7047
- Ivory RAL 1015
- Coral RAL 3012
- Orange RAL 2002
- Pure Green RAL 6037
- Ultra Marine RAL 5002
- Brushed Aluminium

Care and Maintenance

- Always clean with a damp cloth with no solvents.
- Brushed Aluminium Version:
 1. Use citric acid powder in a solution with water.
 2. Use household gloves and very soft cloth and wipe all parts off with this solution.
 3. Wait 10-15min so that the material and solution can react with each other.
 4. Finally, wipe off all parts once again with a wet soft cloth using just clean water.

Studio CP—RV

Is a collaborative project run by Camille Paillard and Romain Voulet, working between London and Marseille. Formed by designers gathered together from different backgrounds, the practice designs products, home furniture, interior spaces and things to live with.

Installation Required

- The KGT Wall Units comes already assembled and you will need to fix it to the wall.
- When you purchase the 3 or 6 vertical they come with a back panel that allows them to be equally spaced.
