

## INSTALLATION INSTRUCTIONS | JUNE 2024

- 1 Remove the mounting base from the fixture by loosening the socket screws.
- 2 Mount it on the ceiling with screws (screws are not included).
- 3 Pass the cable from the long arms through the hole and fix them to the box with the screws.
- 4 Pass the cable from the short arms through the hole and fix them to the box with the screws.
- 5 Connect the wires to the clamps and store them in the side spaces.

- 6** Secure the fixture with the hook to the mounting base.

Connect to 220-240V.

- 8** Fix the luminaire on the base with the socket screws.

# PERLEZ GRID CEILING SURFACE

INSTALLATION INSTRUCTIONS | JUNE 2024

## DISMOUNTING AND RECYCLING INSTRUCTIONS

### Light source & driver

- 1 Loosen the socket screws from the fixture to remove it from the mounting base.
- 2 Disconnect the wires to remove the driver(s).
- 3 Remove the glass(es) by unscrewing it/them.
- 4 Unscrew the light source(s) to remove it/them.

The light source is replaceable by Wever & Ducré or by a professional with explicit authorisation. For more information please contact your local Wever & Ducré customer service point.

The driver can be replaced by the end user.
