Around wall hanger

Designed by 201 Design Studio

English text

Simple yet graphic, the Around wall hangers combine interesting aesthetics and functionality. Designed with the intention of creating an elegant and practical product, that will stay decorative even when in use.

The wooden concave surface brings a sculptural detail to the design while adding warmth and balance to the sturdy metal hook. Materials that are contrasting and complementary at the same time.

The Around wall hangers are available in two sizes and three colours that can easily be combined and create a harmonious composition on the wall. Choose between a black or satin metal hook for all finishes.

Designed by 201 Design Studio

Founded by Mira Ene and Codrin Stanciulescu in Romania, they operate in the field of furniture, lighting and accessories design. The studio is characterised by designing meaningful and honest products that distinguish themselves through functionality, interactivity and attention to detail.

Danish text

Med sit enkle men alligevel grafiske udtryk kombinerer Around knagerne interessant æstetik og funktionalitet. Designet ud fra idéen om at skabe et elegant og praktisk produkt, som forbliver dekorativt, selv når det er i brug.

Den letbuet træoverflade giver designet en skulpturel detalje, mens den tilfører en varme og balance til den robuste, slanke metalkrog. Materialer der både står i kontrast til og komplementerer hinanden.

Around knagerne fås i to størrelser og tre farver, der nemt kan kombineres og skabe en harmonisk komposition på væggen. Vælg mellem en sort eller en metalkrog til alle tre farver.

Designet af 201 Design Studio

Et studie der er etableret af Mira Ene og Codrin Stanciulescu i Rumænien. Studiet opererer inden for møbel-, belysnings- og dekorationsdesign, som er kendetegnet ved meningsfulde og ærlige produkter, der udmærker sig gennem funktionalitet, interaktivitet og sans for detaljer.
