Gap pendants

Designed by Maja Vindbjerg

English text

The Gap pendant combines a raw outer shell made from powder-coated metal with a refined brass coloured inner, creating a warm and cosy glow. The sleek gap in the shade lets light escape and create a graphical reflection with a golden glow from the inside. Hang the Gap pendant on its own or in combination with other Gap pendants to increase to experience of the reflection.

Designed by Maja Vindbjerg

Maja Vindbjerg is a Danish designer who focuses on Nordic traditions and strives to create classic, functional designs. Her background as an architect is visible in the sculptural and architectonic lines of her designs. With a minimalistic expression in mind, she aims to create timeless and functional design rooted in the Scandinavian design tradition.

Danish text

Gap lampen kombinerer et rå ydre af ru metal med et elegant indre i malet messing, hvilket skaber en varm og hjemlig glød. Den slanke slids i metallet lader lyset undslippe og skaber en reflekterende gylden glød indefra. Hæng en enkelt Gap op eller kombinér flere Gap lamper for at øge lysrefleksionen og skabe det ønskede udtryk.

Designet af Maja Vindbjerg

Maja Vindbjerg er en dansk designer med fokus på nordiske traditioner og et formål om at skabe klassisk og funktionelt design. Hun dimitterede fra Arkitektskolen i Aarhus i 2015. En uddannelse som er tydelig i de skulpturelle og arkitektoniske linjer i hendes designs.
