Ghost table lamp

Designed by Studio Kowalewski

Ghost table lamp is a modern interpretation of antique portable oil lamps. The slim metal rod surrounds the lampshade protectively while the over-arching bail functions as a handle for carrying the lamp around. Made of translucent opal glass, the shade gives an illusion of a white cloth thrown over the light source. Resembling the appearance of a friendly ghost in the air.

English text

Ghost lamps are a modern interpretation of antique portable oil lamps. The slim metal rod surrounds the lampshade protectively while the overarching bail functions as a handle for carrying the lamp around. Made of translucent opal glass, the shade gives an illusion of a white cloth thrown over the light source. Resembling the appearance of a friendly ghost in the air. The subtle vertical groove pattern on the surface fades out gradually upwards, emphasizing the lamp's refined sculptural character. The cord comes with a dimmable switch.

Danish text

Ghost bordlampen og gulvlampen er en moderne fortolkning af antikke olielamper. Den slanke metalstang omgiver lampeskærmen på beskyttende vis, mens den buede hank fungerer som et håndtag. Med det matterede opalglas får skærmen en illusion af, at et hvidt klæde er kastet over lyskilden og minder om et venligt spøgelse. Det sirlige lodrette rillemønster blander smuk ud vertikalt, hvilket understreger lampens raffinerede skulpturelle karakter. Ledningen kommer med en dæmpbar kontakt. Det gør den karakteristiske bordlampe ideel både på skrivebordet som arbejdsbelysning og på natbordet med et mere blødt lys.

French text

Une ancienne lampe à huile trouvée sur un marché aux puces a inspiré le designer, Andreas Kowalewski, à donner vie à la lampe Ghost. Avec son verre opale translucide, l'abat-jour donne l'illusion d'un linge blanc jeté sur la source de lumière, évoquant ainsi la forme d'un sympathique fantôme évoluant dans les airs. Cette image est accrue par le motif en sillon vertical qui s'efface à mesure qu'il s'élève. Une forme archétypale utilitaire et distinctive. Sculpturale. Minimaliste. Fonctionnelle.

German text

Eine antike Ölleuchte auf einem Trödelmarkt inspirierte den Designer Andreas Kowalewski zur Form der Leuchte Ghost. Das matte Milchglas des Leuchtschirms erweckt die Illusion eines weißen Tuches, das über eine Lichtquelle geworfen wurde, gleich der Erscheinung eines freundlichen Gespenstes. Dieses Motiv wird durch das subtile Rillenmuster verstärkt, das nach oben hin immer schwächer wird und eine markante, utilitaristisch archetypische Form schafft. Bildhauerisch, minimalistisch, funktional.
