### Technical information:

|                                    |                        |
|------------------------------------|------------------------|
| Installation:                      | Wall, Ceiling          |
| Material:                          | Aluminium              |
| Finish:                            | White RAL 9003         |
| Diffuser type:                     | Polycarbonate          |
| Lamp type:                         | LED                    |
| Energy performance class:          | F                      |
| Colour temperature:                | 4000K                  |
| CRI:                               | >80                    |
| LB Factor:                         | L80B20 - 50.000h       |
| Photobiological risk:              | RG0                    |
| Power consumption (Watt):          | 45                     |
| Lumen:                             | 4200                   |
| Real Lumen:                        | 3517                   |
| Power supply:                      | ✓ integrated           |
| LED:                               | 220-240 V              |
| Circuit breaker                    | 18-31-30-51            |
| B10 - C10 - B16 - C16              |                        |
| Insulation class:                  | ⊕ CL.I                 |
| Type of protection:                | <b>IP 20</b>           |
| Resistance to breakage:            | <b>IK 06 1J xx3</b>    |
| Standards and Marks of Conformity: | CE UK CA               |
| Dimming                            | 1-10V<br>PUSH<br>DALI2 |
