## Technical information:

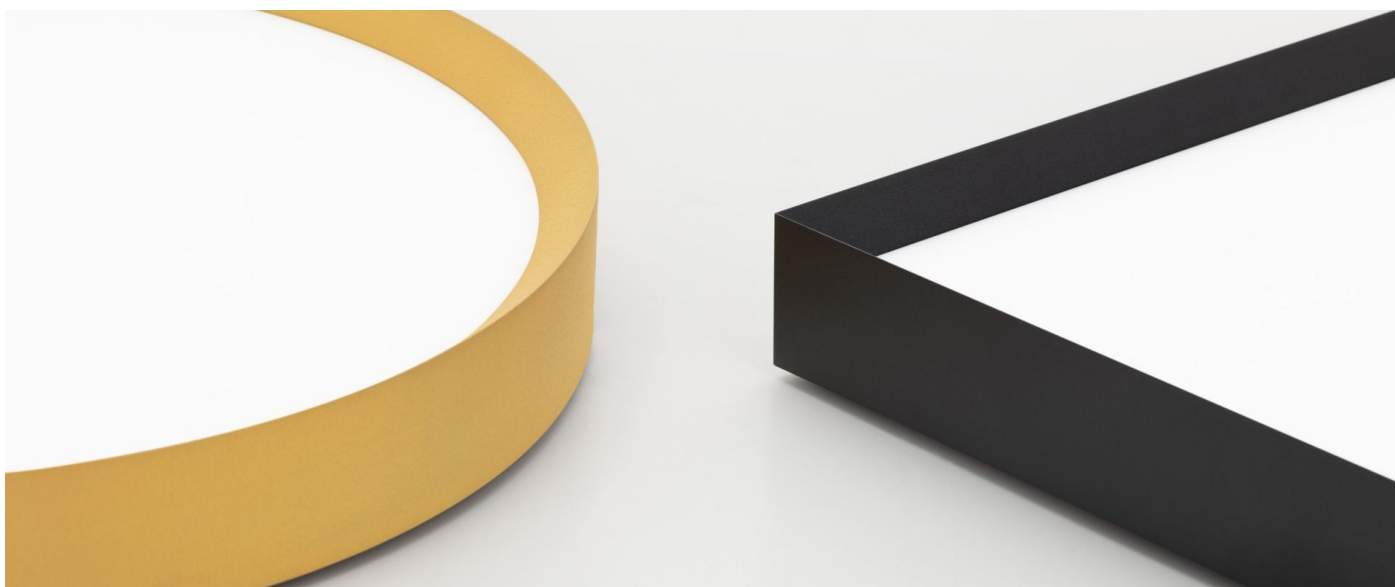

|                                    |                     |
|------------------------------------|---------------------|
| Installation:                      | Wall, Ceiling       |
| Material:                          | Aluminium           |
| Finish:                            | Dark Grey RAL 7021  |
| Diffuser type:                     | Polycarbonate       |
| Lamp type:                         | LED                 |
| Energy performance class:          | F                   |
| Colour temperature:                | 3000K               |
| CRI:                               | >80                 |
| LB Factor:                         | L80B20 - 50.000h    |
| Photobiological risk:              | RG0                 |
| Power consumption (Watt):          | 45                  |
| Lumen:                             | 4200                |
| Real Lumen:                        | 3517                |
| Power supply:                      | ✓ integrated        |
| LED:                               | 220-240 V           |
| Insulation class:                  | ⊕ CL.I              |
| Type of protection:                | <b>IP 20</b>        |
| Resistance to breakage:            | <b>IK 06 1J xx3</b> |
| Standards and Marks of Conformity: | CE UK               |
| Dimming                            | TRIAC               |
