INSTALLATION INSTRUCTIONS | JUNE 2024

DISMOUNTING AND RECYCLING INSTRUCTIONS

Light source & driver

- 1 Loosen the socket screws from the fixture to remove it from the mounting base.
- 2 Unscrew the driver and disconnect the wires to remove the driver.
- 3 Remove the endcap by unscrewing the socket screw.
- 4 Pull out the diffuser.
- 5 Disconnect the wires and remove the light source by pulling it out.

The light source is replaceable by Wever & Ducré or by a professional with explicit authorisation. For more information please contact your local Wever & Ducré customer service point.

The driver can be replaced by the end user.

This luminaire contains a light source with the energy class E.
