INSTALLATION INSTRUCTIONS | MARCH 2026

DISMOUNTING INSTRUCTION

Light source & driver

- 1 Remove the cover from the mounting base and unscrew it from the ceiling. Disconnect the wires.
- 2 Loosen the screws and disconnect the wires to remove the driver.
- 3 Pull out the fixing ring(s) and the lens(es).
- 4 Disconnect the wires and unscrew the light source(s) to remove it/them.

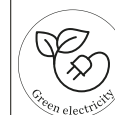

The driver can be replaced by the end user.

The light source is replaceable by Wever & Ducré or by a professional with explicit authorisation. For more information please contact your local Wever & Ducré customer service point.

This luminaire contains a light source with the energy class E.

Use green electricity to light up your luminaire.
