

1700010A - METEORITE 35 T

FEATURES

Product name: METEORITE 35 TABLE

Product description: DIFFUSORE IN VETRO SOFFIATO. CORPO LAMPADA IN TECNOPOLIMERO E ACCIAIO.

Concept: "Meteorite originates from the pursuit of a new sensibility, a new expressive language for lighting blown-glass. The starting point was our fancy for Venetian "beaten" glass, for the grinding effect, and for the strong charm of the "unfinished" feel that such kind of process brings to glass. We designed a special glass-blowing and grinding process, which allows to obtain impressive lighting depth in the illuminated object, and to make this beauty accessible or – we might say – democratic." Pio e Tito Toso. A family of lamps comprised of four different types, with a double-layer artistic glass diffuser obtained by means of the craft still glass blow moulding technique followed by frosting.

Reference item code (catalog code): 1700010A

Reference draw code: 170000

Catalog: Design

Collection: Artemide

Family: METEORITE

Sub family: METEORITE

Type: Table

Light performance: General light

Light quality: High CRI white

Environment: Indoor

Sector: Design

Movable/fixed luminaire: Movable

Adjustable/fixed beam: Fixed

References standard: European (I.E.C. standard)

Protection degree (IP): 20

Protection class: Class II

Dimmability: Yes

Minimum distance from illuminated object (mt): NA

Suitability for mounting on flammable surfaces: Yes

Suitability to be covered with insulation material:

Luminaire designed to operate with safety glass:

Luminaire designed to be used with sources suitable for use in open luminaires:

Luminaire for high-pressure sodium lamps that require external lighter:

Luminaire for high-pressure sodium lamps that require internal lighter:

DIMENSIONS

Net weight (kg): 3.310

Height (mm): 315

Diameter (mm): 350

Base diameter (mm): 120.0

Silhouette: [1700010A](#) ([Detail](#))

LIGHT EMISSION

Sources included: Source not included

Number of light channels: 1

Light emission description: GENERAL

Light emission icon: 

Light emission: Diffused

Light emission dimmable: Yes

Photometry: [FTS1400358-1700010A-METEORITE35tavolo](#)([Detail](#))

Optics icon: 

Optics: Very wide flood (VWFL)

Chromatic coordinates:

Color rendering index: null

Source count: 1

Expected time for relamping (min): null

Power consumption (W): 150

Light emission description: DIFFUSED

Light emission icon: 

Light emission: Diffused

Light emission dimmable: Yes

Photometry:

Optics icon: 

Chromatic coordinates:

Color rendering index:

Source count: 1

This source is included: No

Expected time for relamping (min): 5

Power consumption (W): 150

ELECTRICAL

Electrical range values: 220-240V 50/60Hz

Plug: Type C EU class 2

Power consumption (W): 150

Power supply count: null

Power supply: ()

Kind of auxiliary: N/A

Luminaire suitable for dimming project class: A

Luminaire energy label: [EL030](#)([Detail](#))

EMERGENCY

COMMUNICATION

Production year: 2014

Product Range:

Pio & Tito

Designer: Toso

MATERIALS AND FINISHES

Colour: BIANCO

Color icon: 

QUALITY

Safety certifications: ENEC

Safety certifications attach: DC1700010A(Detail)

Performance and special certifications attach: ()

Photobiological risk class: N/A

Glow wire test: 850

Expected time for mounting (min): 1

PACKAGING

Box Code: 1700010A

Quantity:1

Box width (mm):465.0

Box length (mm):465.0

Box height (mm):435.0

Box weight (kg):5.62

Box volume (m3):0.09
