CONFETTI is a collection of designer lights created by Nutcreatives. Its shade is manufactured from recycled bottle top plastic and is produced locally in Valencia. A solution for modern and committed indoor lighting. The shade plays a leading role and complements the bulb, which is perfectly visible. This light fixture can be installed as both a wall light and a ceiling light, and is also available in 30 cm diameter and 14 cm height. CONFETTI allows you to create islands on the ceiling and on the wall. Lighting solutions designed for global markets, compatible with mains voltages: 110 - 120V and 220 - 240V.
