

CANDELA is a portable outdoor lamp designed by Jordi Ribaudí. It is the modern and daring design solution for outdoor dinners or a cosy porch. Its design reminds us of the old lanterns and its terracotta finish transports us to the desert and the dunes. A warm inspiration for any corner. The light filters between the spaces of the structure and has 3 intensities, which can be controlled with the included remote control. The LED light module is rechargeable via an induction base, also included. Lighting solutions designed for global markets, compatible with mains voltages: 110 - 120V and 220 - 240V.

## General characteristics

<b>Fixation</b>	Table
<b>Type</b>	III
<b>IP</b>	66
<b>Switch type</b>	Touch
<b>Type of load</b>	5V CARGA RÁPIDA / 5V
<b>included battery</b>	Yes6h
<b>Max. Power</b>	3W

## Material

<b>Body/Structure</b>	Polystone
<b>Diffuser</b>	PC

## Finish

<b>Diffuser</b>	Opal
-----------------	------

## Lighting characteristics

<b>Light source included</b>	Yes
<b>Light source</b>	SMD LED
<b>Temperature</b>	3000K
	
<b>LM</b>	290lm
<b>CRI</b>	>=80
<b>Dimmable light source</b>	Yes
<b>Light direction</b>	Ambient lighting

## Driver

<b>Requires Driver</b>	Yes
------------------------	-----
