

Frame Slim

A new expression of the Frames collection, the Slim variations explore a more slender, elongated proportion, refining the original's minimalist language into a narrower silhouette and bringing an even more vertical presence, while keeping the same soft, ambient glow of the Frame.

Type	Wall Light
Frame	Size M

Technical Drawings

Technical Specifications

Materials	Frame Brushed / Lacquered Steel or Veneered Wood Shade Acrylic Diffuser
Dimensions	Size M H 420mm x W 150mm x D 116mm
Product Weight	Size M 1.5 kg
Light Installation	Hardwired or Plug-in
Bulb provided	Socket E14 LED bulb 12W / Voltage 220-240V
Lighting	2700K-3000K / 1350 lumens / 30,000 hours Non-dimmable
Certifications	CE-Certified components, Non CE-listed
Notes	Dimmable bulb on demand Hardwired and Plug-in bulbs vary in position When Plug-in: Wire 2200mm with switch
Possible Finishes	 Brut Brushed Steel  Black Black Lacquered Steel  Brun Marron Lacquered Steel  OW Off White Lacquered Steel  Miroir Mirror Polished Steel  Wood Mahogany Vannered Wood
